Collin Wong is the Republican Candidate for State House District 28, which includes Downtown, Chinatown, Kakaako, and Kalihi-Palama. He grew up in Honolulu and attended Iolani School before going on to Boston University.

Collin is active in his community and is a member of the Downtown Citizen patrol and State Jaycees. He also serves on the board of directors for the Organization of Chinese Americans.

As a policy analyst in the office of the Governor, he has seen many common sense solutions die in the Legislature due to partisan politics. Collin Wong strongly believes in putting the people of Hawaii first and being a true advocate for his constituents.

It's time to take action and get tough on crime and drugs. We need to take back our community by making sure that repeat offenders stay behind bars and that the rights of criminals are never placed above the rights of victims.

Collin ran a very close race for State House in 2004 and is running again because he sees an opportunity to make a real difference in the future of Hawaii. Collin cares for our community and will not quit fighting for safe streets, good schools, and responsible government.
